Wilson gave the town a brand-new meter at no charge and the guys know how to read and reset the meter at meter reading each month. The current bill for the store is \$1179.01. The next month's bill will give us a better picture as to the regularity of the bill. Mrs. Stanley will draft a letter to explain what was done in response to his concerns for the board to review and approve.

The second item was the barbeque shelter at the community building. Mrs. Stanley reported that there is funding in Capital Improvement to proceed with the project. The lowest quote was approximately \$3200 – Mrs. Stanley will double check the name of the contractor and the exact cost.
